During and upon conclusion of the Auction, True Play, in consultation with its advisors and Rovin, shall (i) review and evaluate each Qualified Bid and other potentially higher or better bids obtained at the Auction on the basis of financial and contractual terms and the factors relevant to the sale process in True Play's reasonable discretion, including factors affecting the speed and certainty of consummating the Sale, and (ii) identify the highest or otherwise best offer or group of offers for the Assets in True Play's reasonable discretion (the "Successful Bid(s)"). True Play shall notify the Successful Bidder of its acceptance of the Successful Bid. True Play may adopt rules for the Bidding Process at the Auction that, in its reasonable business judgment, will better promote the goals of the Bidding Process and that are not inconsistent with any provisions these Bid Procedures.

Closing

True Play shall sell the Assets within five (5) business days of its acceptance of the Successful Bid. Bids made at the Auction, including without limitation oral bids, are binding contracts requiring the Successful Bidder and also True Play to close by this deadline.

Failure to Consummate Sale

Following True Play's acceptance of the Successful Bid(s), if such Successful Bidder(s) fails to consummate the sale because of a breach or failure to perform on the part of such Successful Bidder(s), the Successful Bidder shall forfeit the entire amount of any earnest money deposit, and the next highest or otherwise best bid resulting from the Auction shall be deemed to be the Successful Bid and True Play shall effectuate such Sale. Bids, including bids which are not Successful Bid(s) shall be deemed to be binding offers until the closing of the Sale.
